

## EVENT BULLETIN 2025-RALLYX #1

22 April 2025

### Changes and additions to Supplementary Regulations KNAF, section Rallycross: RallyX (0501.25.048)

By means of this Bulletin a number of changes and additions will be processed in the Supplementary Regulations. The below document (Part 2) will replace the original document (Part 1).

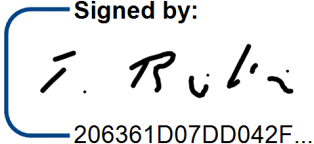

Furthermore, confirming earlier communication on this topic, the below rules will be applicable regarding tyres for Open2WD:

- **FWD**
  - FWD cars may use used Nova, Avon, Cooper tyres.
  - If new tyres want to be bought, they must be of the NOVA brand and bought by Hansen Tyres.
- **RWD**
  - Drive wheels:  
Out of the six (6) designated tyres, four (4) can be any marked tyres from the Rally X 2024 season or from Portugal 2025.
  - Front wheels:  
Can be any ACB11 tyres from Nova, Avon, Cooper

Lastly, the prohibition of separate expansion containers with hoses in article CC-T 2.3 will not be applicable on the condition that the shock absorbers meet the standards of FIA Appendix J, article 279b, article 8.4.
